

Keeping in Touch

1. Read the story below. It is the story behind the song “One Call Away” by Charlie Puth.

Charlie’s friend was unhappy because his girlfriend was far away. “I miss seeing her every day,” his friend said.

“Well,” Charlie said, “you call her every day, right?”

“Yes,” his friend said. “At least I can talk to her. But I miss seeing her.”

That conversation gave Charlie the idea for the song “One Call Away.” He says, “This song is about anybody who is in love with somebody and doesn’t get to see that person every single day.”

2. Is there someone you love that you don’t see often—a friend, for example, or someone in your family? Draw a picture of the person in the space below. Then answer the questions under your drawing. Finally, share your drawing and your writing in a small group.
