Unit 5

You've Changed

Mr. Mix was walking down the street when he met another man.

"Mr. Peterson!" said Mr. Mix. "You've changed! You look very different. You used to be heavy, and now you're thin. You used to have black hair, and now you have gray hair. You used to wear glasses, and now you don't."

"I'm not Mr. Peterson," said the man. "I'm Mr. Jones."

"Wow!" said Mr. Mix. "You've changed your name, too!"
