

## Comparisons Using *Like*

- A. Work with a partner. Take turns making comparisons with *like*. First, choose any word from Column A. Find a similar word in Column B and make a sentence with *like*. Then explain how the two words are similar.**

A	B
Paris	a star
vanilla	London
the moon	chocolate

For example:

**Student A:** Vanilla is like chocolate. They are both flavors of ice cream. Now it's your turn.

**Student B:** Paris is like London. They are both cities in Europe. Your turn.

**Student A:** The moon is like a star. They are both in the night sky. Your turn.

- B. Now make sentences with the words below. With a partner, take turns making comparisons with *like*. Explain how the words in your sentence are similar.**

orange juice	soccer
the Nile	July
ears	a trumpet
Beijing	a screwdriver
Toyota	Chile
August	the Amazon
a hammer	a fly
tennis	Bangkok
a violin	milk
California	mathematics
Bolivia	Texas
history	hands
a mosquito	Honda
