

Crazy
Songwriter: Willie Nelson

Listen to the song "Crazy." As you listen, fill in the missing gerund. You will use some words in the list below more than once. Notice that each gerund is the object of the preposition *for*. Also notice that the singer pronounces the final *ing* in the gerund *in*'.

crying feeling loving thinking trying

Crazy

I'm crazy for _____ so lonely

I'm crazy

Crazy for _____ so blue

I knew

You'd love me as long as you wanted

And then some day

You'd leave me for somebody new

Worry

Why do I let myself worry?

Wondering

What in the world did I do...

Oh, crazy

For _____ that my love could hold you

I'm crazy for _____

And crazy for _____

And I'm crazy for _____ you

Crazy

For _____ that my love could hold you

I'm crazy for _____

And crazy for _____

And I'm crazy for _____ you
