

A. What are three things you love to do? Write your list in the chart. For example:

play soccer
cook
watch movies

I love to...	and so does...

B. Walk around the classroom with your list. Try to find someone who loves to do something you love to do. When you find someone, write her/his name in the chart.

C. Is "Do what you love" good career advice? Why or why not? Share your opinion with the class.
