

"Both Sides Now" by Joni Mitchell

Write the missing words on the lines. The missing words rhyme with the words in bold.

Rows and floes* of angel **hair**
And ice cream castles in the _____
And feather canyons _____ —
I've looked at clouds that way.

But now they only block the **sun**.
They rain and snow on _____.
So many things I would have _____,
But clouds got in my way.

I've looked at clouds from both sides **now**,
From up and down, and still _____
It's cloud illusions I **recall**.
I really don't know clouds _____.

Moons and Junes and Ferris **wheels**
The dizzy dancing way you _____
As every fairy tale comes _____ —
I've looked at love that way.

But now it's just another **show**.
You leave 'em laughing when you _____,
And if you care, don't let them _____.
Don't give yourself away.

I've looked at love from both sides now,
From give and take, and still somehow
It's love's illusions I recall.
I really don't know love at all.

Tears and fears and feeling **proud**
To say, "I love you" right out _____
Dreams and schemes and circus _____ —
I've looked at life that way.

But now old friends are acting **strange**.
They shake their heads, they say I've _____.
Well, something's lost, but something's gained
In living every day.

I've looked at life from both sides now,
From win and lose, and still somehow
It's life's illusions I recall.
I really don't know life at all.
